Subject: Reschedule RA S. Weber Briefing

Hi Betsy,

We need to reschedule the S. Weber TAG briefing for Shaun to the week of July 11th. Is there's no time that week let me me. We have a decision to make by end of July and don't want to push it out too far but Martin has some changes he wanted and peoples schedule are crazy I'm guessing including Shaun's. Let me know what you find. Just need a 1/2 hour with Shaun.

Thanks Libby
